	<p>high school and to go to college in the United States. I love travelling and learn about</p> <p>different cultures; I visited every country in Europe and my goal before the end of college is to</p> <p>visit all the states in the United States.</p> <p>&lt;/p&gt; &lt;br /&gt; &lt;p&gt; I</p> <p>always loved technology since I was a little kid and I used to navigate the Internet on my dad's computer. At the age of 13, I started coding in Swift 1.1 and I realized that I liked it</p> <p>and that I wanted to become a programme r. After college I would like to become a Front-End developer,</p> <p>because I like using JavaScript and its frameworks and also because I</p>
